

Ladder, safety cage and handrail

Open cooling towers

Options and accessories

Ladder, safety cage and handrail

A ladder, safety cage and handrails are all installed for **easy access to the unit top and easier and safer** inspection and maintenance, in line with **European and South African safety directives**. Units equipped with these options, feature also [distribution basin covers](#).

Want to extend your cooling tower with these options for easier and safer inspections?

Contact your [local BAC representative](#) for more information.
