Closed circuit cooling towers

Options and accessories

Basin heater package

Our factory-installed heaters keep the water temperature at 4°C and act as a simple and economical **anti-freeze measure for the basin water**. The heater package includes the **heaters**, a **thermostat** and a **low level cut out switch** to protect the heaters if the water level declines excessively. Standard electric heaters can handle ambient temperatures down to -18°C.

Our factory-installed heater packages

- help maintain your system year-round
- enhance your equipment reliability

Model	Heater -18 °C (kW)
HXI 42X-K	1 x 4
HXI 43X-L	1 x 6
HXI 44X-M	1 x 6
