

# Platforms, ladders, safety cage and handrail

General Condensers

## Options and accessories

### Platforms, ladders, safety cage and handrail

**Platforms, a ladder, safety cage and handrails** facilitate **easier and safer access** to the top level of the unit, making inspection and maintenance easier and conforming to safety standards.

#### Installed platforms

- facilitate the easier inspection and maintenance of your cooling tower
- help you comply with local safety regulations
- reduce accidental risks during inspection and maintenance of your cooling tower

**Want to extend your cooling tower with these options for easier and safer inspection?** Contact your [local BAC representative](#) for more information.
