

S3000D >>> Retrofit Opportunities

External platform with ladder & casing railing

Distribution basin covers

Clean out port

Internal walkway

Internal platform with ladder

- Improve maintenance and accessibility
- Enhance operational safety
- Reduce sound emission
- Save water
- Save energy and increase performance
- Increase reliability

Gear drive system with close coupled motor

Gear drive system with externally mounted motor

BCP automatic bleed control

Separator

Basin sweeper piping

Whisper Quiet Fan

Intake & discharge attenuation

Recovery fan stacks

High temperature execution CPVC BACross 2 fill

Oversized motor & Drive set

Higher performance fill (New generation BACross 3)

Vibration cut out switch

Heater package

Electric water level control package
